

THE WORLD BANK SUPERVISORY MISSION

23.04.2020 12:20

According to the situation caused by the COVID-19 pandemic, the World Bank team was held a virtual review of the Real Estate Registration Project progress in Bosnia and Herzegovina on April 21-22, 2020 with the representatives of the Federal Administration for Geodetic and Real Property Affairs.

Representatives of the implementing agencies presented implemented activities within ongoing Project, as well as the impact of the COVID- 19 on the implementation of the Project activities. During the held meetings, it was stated good efficiency in carrying out the largest number of activities, and that the indicators related to the Project were fulfilled as planned.

It was also discussed the Project activities planned under the Additional Financing approved by the World Bank's Executive Board on March 5, 2020 and their effectiveness is expected after the implementation of domestic approval procedures by the competent institutions. It was agreed that all actors act urgently within their own domain of competence and influence.

Under the Additional Financing, the Project Development Objective remains to support the development of a sustainable real estate registration system with harmonized land registry and cadaster data in the Federation of Bosnia and Herzegovina.
