A workshop within the „SPATIAL REGION" Project was held in Tirana, Albania from 30 to 31 October 2017 and behalf of the Federal Administration for Geodetic and Real Property Affairs representatives were Mr. Nikola Cvjetković and Mr. Tomislav Tomić.

„SPATIAL REGION" Project is financed by the funds of Kingdom of the Netherlands and is conducted under leadership of *Cadaster,* the Dutch Geodetic Administration. The workshop entitled „ Institutional development: Service oriented organisations" was held with an aim to make institutional and organisational capacities in geodetic administrations stronger. Trough the presentations, interactive exercises and exchange of information participants have met with services and products of geodetic administrations in region.

Representatives of *Cadaster* presented the services and products of their organization as service-oriented

institution, with a special accent on users. The conclusion of this workshop is that there are similar problems in the services and land administration products in the region, and that this exchange of knowledge and experiences helps to find adequate technical solutions.
