

Conference "Days of the Spatial Data Infrastructure of the Federation of BiH" – Second Announcement

28.08.2025 10:26

Spatial Data Infrastructure of the Federation of Bosnia and Herzegovina

Federal Administration for Geodetic and Real Property Affairs

The Federal Administration for Geodetic and Property Affairs, in cooperation with its partners, is organizing the 6th Conference “Days of Spatial Data Infrastructure of the Federation of BiH”, which will take place in Mostar, on 25–26 September 2025.

This year, the Conference will once again bring together numerous domestic and international experts, representatives of institutions, the academic community, and donor organizations. Special emphasis will be placed on the exchange of experiences and practical applications of SDI in various sectors, as well as the presentation of projects that contribute to the modernization and interoperability of spatial data in the Federation of BiH.

The Conference program will include:

- Opening addresses and keynote lecture,
- Presentation of the donor project **GeoConnect** of the Kingdom of the Netherlands,
- Presentations on current developments in the field of SDI in the Federation of BiH,
- Workshops focusing on quality control, metadata, practical applications, and good practice examples,
- Discussions and networking events.

The preliminary program of the Conference is available as an attachment to this announcement, while the final program will be provided to all registered participants seven days before the Conference.

All interested participants are invited to register for the Conference via the online form <https://ippfbih.gov.ba/dani-ipp-registracija/>

For further information regarding the Conference, please contact: ipp.fbih@fgu.com.ba.

Supported by the donor project of the Kingdom of the Netherlands
