

Handover of geodetic equipment in the Federal Administration for Geodetic and Real Property Affairs

29.03.2018 10:48

Handover of geodetic equipment in the Federal Administration for Geodetic and Real Property Affairs was organized on 28 March 2018.

The public procurement procedure of geodetic equipment was successfully completed, which is purchased through joint financing for five geodetic and cadastral municipal services, authorized representatives of those five municipalities (Municipality of Ilijaš, Municipality of Travnik, Municipality of Hadžići, City of Goražde and City of Tuzla) have signed the certification of equipment delivery, and took over the GNSS and TC equipment. For four municipalities were reserved GNSS, and for one Municipality the TC

equipment.

The equipment is provided form the Real Estate Registration Project funds (RERP), which is financed from the World Bank's funds. Federal Administration for Geodetic and Real Property Affairs and municipalities were participated in co-financing of geodetic equipment procurement (GNSS and TC).

The equipment was purchased in order to provide a more efficient and better functioning of the geodetic and cadastral municipal services.
