

# Information regarding handover of GNSS surveying equipment

22.02.2023 13:16

Handover of GNSS surveying equipment in the Federal Administration for Geodetic and Real Property Affairs was organized on 22 February 2023. The equipment is provided from the Real Estate Registration Project – Additional Financing funds (RERP AF), and the Federal Administration for Geodetic and Real Property Affairs and municipalities were participated in co-financing of geodetic equipment procurement.

The public procurement procedure of geodetic equipment was successfully completed for four geodetic and cadastral municipal/city services and the Federal Geodetic Administration, and authorized representatives from cadastral services of City of Gračanica, Municipality Bugojno, City of Cazin, City of Orašje and FGA have signed the certification of equipment delivery and took over 6 GNSS devices.

Besides the GNSS devices, in the up-coming period it is also expected total stations delivery for six municipal services (City of Tuzla, Municipality Travnik, City of Bihać, City of Posušje, Municipality Zavidovići and Municipality Lukavac).

The equipment was purchased in order to provide a more efficient and better functioning of the geodetic and cadastral municipal services and Federal Geodetic Administration.
