04.02.2025 12:03

Bosnia and Herzegovina

Federal Administration for Geodetic and Property Affairs

Improvement project geospatial infrastructure and estimates values real estate (GIVE)

Public call for expressions of interest, consulting services - Loan No. 96760-BA

Position: IT Specialist

Ref. number : BA-GIVE-96760-BA-FBiH-CS-INDV- D.3.1.1.4

Based on Loan no. 96760-BA between Bosnia and Herzegovina and the International Bank for Reconstruction and Development, and for the implementation of the five-year Project for the improvement of geospatial infrastructure and real estate valuation (GIVE) in the Federation of Bosnia and Herzegovina, part of the loan funds is intended for the engagement of consulting services .The goal of the GIVE project is to improve the accuracy and accessibility of land administration information in the Federation of BiH. The project supports the development of geospatial infrastructure, enabling the harmonised collection , storage and accessibility of data via a digital platform in accordance with international standards and improving the value assessment system . real estate to promote transparency, efficiency and reliability in the real estate market. The project is managed by the Federal Administration for Geodetic and Property Affairs, and the Project Implementation Unit provides day-to-day operational and technical support for the implementation of the GIVE project.

An IT expert is needed to manage the development and maintenance of IT systems, ensuring interoperability between different registers and databases . The consultant will also implement cyber security measures , support digitization of records and develop innovative IT solutions to improve project efficiency and service delivery.

The Federal Administration for Geodetic and Property Legal Affairs, Unit for the Implementation of the GIVE Project, invites all qualified and interested candidates to express their interest in providing the above consulting services. An IT specialist must have the following qualifications, skills and experience:

- a) University degree in computer science, information technology, electrical engineering, geodesy/geoinformatics or another related field;
- b) Minimum one year of work experience in performing similar tasks;
- c) Excellent knowledge of Bosnia and Herzegovina and Federation of Bosnia and Herzegovina laws, practices and policies in the geodesy sector is desirable;
- d) Ability and skill in coordinating and reporting on various activities;
- e) Excellent reporting, interpersonal and teamwork skills;
- f) Excellent knowledge and skills in working with MS Office applications;
- g) Knowledge of English, both oral and written;
- h) Possession of a valid driver's license is desirable.

Preference will be given to candidates with previous experience in the land administration sector and in the implementation of international projects.

In the Declaration of Interest, it is necessary to state the qualifications, skills and experience, evidence that shows the necessary professional qualifications , skills and experience.

A detailed description of the above-mentioned tasks can be found in the Job Description, which is available on the website <http://www.fgu.com.ba>, and additional information can be obtained at the address below.

The attention of interested parties is drawn to Section III, paragraphs 3.14, 3.16 and 3.17 of the World Bank's "Procurement Regulations for IPF Borrowers", July 2016, last revised in September 2023, which set out the World Bank's policy on conflicts of interest.

The consultant will be selected in accordance with the method for selecting individual consultants set out in the World Bank's "Procurement Regulations for IPF Borrowers" published in July 2016, last revised in September 2023.

Submit the letter of interest together with the CV and evidence of professional training and experience electronically, in person or by mail to the address below no later than February 17, 2025. year.
