

Land and Poverty Conference 2019: Catalyzing Innovation

29.03.2019 12:07

World Bank Land and Poverty Conference 2019: Catalyzing Innovation, was held in Washington, DC from 25 to 29 March 2019. On the Conference participated almost 1500 representatives from all over the world which are included in land administration projects financed by World Bank, representatives of the Food and Agriculture Organization of the United Nations- FAO, representatives of the International Federation of Surveyors- FIG, representatives of the UN Habitat, also key actors of civil society, academic community and private sector.

Under the support of the Real Estate Registration Project and CILAP Project on the Conference

participated representatives of the entity geodetic administrations. The Delegations were led by directors, Mr. Željko Obradović Director of the Federal Geodetic Administration, Ms. Bosiljka Predragović Director of the Republic Geodetic Administration and Ms. Andja Zimić Director of the CILAP Project.

During the Conference were presented the latest research and innovation in policies and good land management practices around the world. The participants were discussed on ways of ensuring inclusiveness, sustainability, reliability, capacity building, and ways to ensure that better information about land contribute expanded society goals and progress in general.

The Professional work about activities that entity geodetic administrations are implementing within RERP, CILAP and other projects was presented on the Conference. Mr. Denis Tabučić and Mr. Dejan Jeremić presented joint Professional work of entity geodetic administrations entitled “Jointly towards improvement of land administration in Bosnia and Herzegovina”.

All the works from this Conference, along with other content, can be downloaded from the official web site of the Conference for 2019.
