

Meeting „Implementation of BiH Policy on Data for Terrain and Obstacles“ held in BHANSA Head Office

13.09.2019 17:03

A meeting on topic „Implementation of BiH policy on Data for Terrain and Obstacles“ was held in BHANSA Head Office on 12 September 2019.

The meeting was organized with an aim of raising the awareness on this topic, with the ultimate goal of drafting the document "BiH Policy on Data for Terrain and Obstacles ".

Bosnia and Herzegovina as a member of International Civil Aviation Organization (ICAO) is obligated to follow the standards and best practices adopted by that organization and to publish information relevant to aviation security in the Aeronautical Information Publication of Bosnia and Herzegovina (BiH AIP).

This meeting was attended by representatives of BHANSA, Bosnia and Herzegovina Directorate of Civil Aviation-BHDCA, representatives of all international airports in BiH (Sarajevo, Mostar, Banja Luka and Tuzla), representatives of companies interested in this topic, as well as representative of the Federal Administration for Geodetic and Real Property Affairs and Republic Authority for Geodetic and Real Property Affairs. On behalf of the Federal Geodetic Administration was Mr. Denis Tabučić, who prepared a suitable presentation for the occasion.
