

## MEETING IN THE STATE GEODETIC ADMINISTRATION REPUBLIC OF CROATIA

01.07.2021 09:45

A meeting between Director of the State Geodetic Administration Republic of Croatia Mr. Damir Santek and Director of the Federal Administration for Geodetic and Real Property Affairs Mr. Zeljko Obradovic was held in Zagreb on 30 June 2021. The State Geodetic Administration Republic of Croatia and the Federal Administration for Geodetic and Real Property Affairs have quite good cooperation in direct communication but also in the project implementation.

The topics of the meeting were the exchange of information on current projects and activities between two administrations. Special emphasis was placed on discussions on certain data exchange agreements for the

completing important projects in the field of basic geodetic works.

Considering that Republic of Croatia is a European Union member, this was also an opportunity to use European experiences of data use policy in the land administration sector.
