A meeting of IMPULSE project national coordinators in Gävle, the Kingdom of Sweden is held during period February 01-04, 2016. The host of this event was Lantmäteriet- the Swedish Mapping, Cadastre and Land Registration Authority. On this occasion, Federal Administration for Geodetic and Real-Property Affairs was represented by Dr. Slobodanka Ključanin - National Coordinator for IMPULSE project for the Federation of Bosnia and Herzegovina.

The meeting agenda included several current activities which had to be agreed between agencies participating in the Project.

Also, Project status in the last quarter of the Year 2015 was discussed. The meeting of IMPULS project national coordinators was used primarily for thorough discussion regarding suggestions for improvement, harmonization of the work plan for the first two quarters of Year 2016, and other topics related to the further implementation of the Project. On this occasion, all present coordinators with short presentations get acquainted their colleagues from the region on the current activities, initiatives and projects within each Agency.

Meeting of national coordinators also served as preparation for a meeting of all Surveying and Mapping Agency directors from the Western Balkans with Lantmateriet director, which is planned for April 14, 2016 in Zagreb, Croatia.
