Meeting with an aim of analysing the current activities of the Real Estate Registration Project

20.02.2019 16:13

A meeting with the aim of analysing the current activities of the Real Estate Registration Project was held in premises of the Federal Administration for Geodetic and Real Property Affairs on 20 February 2019. Good project results so far are the result for additional financing the RERP project by the World Bank.

On the meeting participated the management of the World Bank headed by Mr. Camille Bourguignon-Roger, and Mr. Antony Lamb, the Land Law Specialist, Director of the Federal Administration for Geodetic and Real Property Affairs Mr. Željko Obradović, Head of the RERP project Implementation Unit of Federation of BiH Mr. Nedžad Pašalić, and Mrs. Samira Leskovac consultant for monitoring and

evaluation of the Project Implementation Unit.

The implemented activities so far were presented, and Mr. Antony Lamb will prepare the Interim Implementation and Completion Report (ICR). On the meeting it was also discussed about the past cooperation between the World Bank supervisory team and entity geodetic administrations, about gained experience and planned activities for the next phase of project. It was established that through the regular World Bank missions (every three months) regularly represent the implemented activities, and that all set goals are met.

Mr. Lamb, together with the representatives of Federal Administration for Geodetic and Real Property Affairs has concluded that the continuation of the project activities will be equally successful with good base from the previous phase of the project, and that it is most important to ensure the sustainability of the project.
