

MEETING WITH REPRESENTATIVES OF ILIDŽA MUNICIPALITY

04.04.2019 15:39

A meeting with representatives of the Ilidža Municipality was held on 3 April 2019 in premises of the Federal Administration for Geodetic and Real Property Affairs. The delegation of Ilidža Municipality was led by Mr. Jasmin Voloder, Assistant of Municipal Mayor for Real Property Affairs, Geodetic works and Cadastre. On behalf of the Federal Administration for Geodetic and Real Property Affairs participated Director Mr. Željko Obradović, Assistant Director in Geoinformatics Sector Mr. Nedžad Pašalić and Expert Advisor in Geoinformatics Sector Mr. Denis Tabučić.

During the meeting they were discussed about improvement of cadastral evidence in Ilidža Municipality,

cooperation on the Real Estate Registration Project, the establishment of the Digital Archive, the Sales Price Register and maintenance of the Address Register.

Joint statement of the representatives of Ilidža Municipality and representatives of the Federal Geodetic Administration is an unsatisfactory level of upkeep of cadastral records, it was pointed out joint desire for improvement, all in the interest of citizens of Ilidža Municipality as well as other users of land administration services.
