

MEETING WITH REPRESENTATIVES OF THE CITY OF SREBRENİK

04.02.2026 14:38

On February 4, 2026, a meeting was held at the premises of the Federal Administration for Geodetic and Real Property Affairs between the Director of the Administration, Mr. Željko Obradović, together with his associates, and the Mayor of the City of Srebrenik, Mr. Adnan Bjelić, together with his associates.

The meeting focused on the current status of the land administration sector in the area of the City of Srebrenik, as well as on future plans and activities. Particular emphasis was placed on the harmonization of data between the cadastre and the land registry, and plans were discussed for the implementation activities through the GIVE Project. The meeting participants also discussed topics related to the Address Register

and the Sales Price Register and agreed on the next steps in their implementation.

Both sides expressed satisfaction with the implementation of projects within the land administration sector in the City of Srebrenik and highlighted the expectation of increased engagement in the coming period, especially with harmonization activities and other agreed activities.
