

MEETING WITH REPRESENTATIVES OF THE MUNICIPAL COURT IN MOSTAR

15.03.2023 13:49

A meeting regarding the realization of projects and activities of Mostar City land administration sector was held in premises of Federal Geodetic Administration on March 15, 2023. At the meeting participated Director, Mr. Željko Obradović with associates, President of the Municipal court in Mostar, Mr. Bajro Avdić and Head of the Land registry office, Mr. Meadin Balavac.

The activities regarding harmonization between cadastral and land registry data are carried out for 10 cadastral municipalities (Cim, Ilići, Rodoč, Vrapčići, Blagaj, Buna, Čule, Miljkovići, Podgorje and Polog) while the cadastral data harmonization for cadastral municipalities Mostar I and Mostar II is still in

progress.

The meeting also discussed capacity building in the land registry office in order to successfully realize all planned activities.
