

# MEETING WITH REPRESENTATIVES OF THE SREBRENIK MUNICIPALITY

11.06.2025 11:14

Director of the Federal Administration for Geodetic and Real Property Affairs, Željko Obradović, together with assistants Sead Hadžić and Denis Tabučić, held a meeting with representatives of the Municipality of Srebrenik, Jasmin Bjelić, Assistant to the Mayor and Samed Mehmedić, Advisor.

The topic of the meeting was the possibility of continuing the harmonization process of data between cadastre and land registry. Namely, under the RERP project, 11 cadastral municipalities within the Municipality of Srebrenik were harmonized. The new World Bank project, GIVE (Geospatial Infrastructure and Valuation Enhancement), is now effective, and activities regarding harmonization cadastral and land registry data will continue at the territory of Municipality of Srebrenik.

During the meeting, satisfaction was expressed with the cooperation between the Federal Administration and the Municipality of Srebrenik, which is one of the most engaged Municipality in implementing land administration sector projects.
