

Production of 1: 250 000 scale maps of Bosnia and Herzegovina

07.03.2017 10:43

During 2016, Federal Administration for Geodetic and Real Property Affairs produced a topographical

map of Bosnia and Herzegovina in the scale of 1: 250 000. The map was produced in digital form from the database, as well as printed on paper in the form of a wall map.

Purchase of aforementioned map can be done by submitting a written request (via post or e-mail), according to the fee regulated by the Law on fees for data use and the performance of services in the field of survey and Real-Estate Cadastre ("Official Gazette of SRBiH", No. 35/85 and 12/87 and "Official Gazette of BiH", No. 4/93, 21/93 and 13/94), which is, in accordance with Article IX. 5 (1) of the Constitution of the Federation of Bosnia and Herzegovina, applicable as Federal Law, determined in Fees for data use of survey and cadastre in the Decision on fees for data use in the "Official Gazette of BiH" No. 49/15.

State, federal, cantonal and municipal authorities are exempted from fees, and other parties referred to in Article 8 of the Law on fees for data use and the performance of services in the field of survey and Real-Estate Cadastre.
