

PUBLIC DISCUSSION ON THE DRAFT LAW ON SURVEY AND PROPERTY CADASTRE HELD IN BIHAĆ

16.05.2025 16:36

FGU
Federalna uprava za geodetske i imovinsko-pravne poslove

A public discussion was held in the City Hall of Bihać regarding the Draft Law on Survey and Property Cadastre in Federation of Bosnia and Herzegovina, on May 15, 2025. The discussion gathered together representatives of cantonal institutions, local self-government units, and the private sector, all expressing interest in improving the legislative framework in the field of geodesy and cadastre.

Representatives of the Federal Administration for Geodetic and Real Property Affairs presented key innovations with regard to the existing Law on Survey and Cadastre, as well as the Law on Survey and Property Cadastre. During the presentation, the changes related to the organization and implementation of survey, property registration, the role of local self-government units, and the modernization of geodetic procedures in accordance with modern standards, were clarified.

Following the presentation, a constructive discussion held, during which the participants shared their comments, suggestions and propositions.

Upcoming public discussions on the Draft Law on Survey and Property Cadastre will be held in the following cities:

- **Zenica** – May 20, 2025, from 11:00 to 14:00, City Hall of Zenica
- **Tuzla** – May 21, 2025, from 11:00 to 14:00, Hotel Salis
- **Mostar** – May 22, 2025, from 11:00 to 14:00, Hotel Mostar
- **Sarajevo** – May 26, 2025, from 11:00 to 14:00, Hotel Grand Sarajevo

We invite all interested parties to participate in public discussions and contribute to the development of a quality legislative solution in such an important area.
