

PUBLIC DISCUSSION ON THE DRAFT LAW ON SURVEY AND PROPERTY CADASTRE HELD IN SARAJEVO

26.05.2025 13:01

A public discussion was held in Sarajevo regarding the Draft Law on Survey and Property Cadastre in Federation of Bosnia and Herzegovina, on May 26, 2025. The discussion gathered together representatives of cantonal institutions, local self-government units, and the private sector, all expressing interest in improving the legislative framework in the field of geodesy and cadastre.

Representatives of the Federal Administration for Geodetic and Real Property Affairs presented key innovations with regard to the existing Law on Survey and Cadastre, as well as the Law on Survey and Property Cadastre. During the presentation, the changes related to the organization and implementation of

survey, property registration, the role of local self-government units, and the modernization of geodetic procedures in accordance with modern standards, were clarified.

Following the presentation, a constructive discussion held, during which the participants shared their comments, suggestions and propositions.

We thank all participants of the public discussions for their contribution to the development of a quality and functional legislative solution in this important area, considering that today's discussion is the last in the series.
