

## SEMINAR IN UNA-SANA CANTON

12.09.2018 10:00

The seminar on the topic: "Projects of land administration in Una-Sana Canton - experiences, benefits and future activities" was held on 11 September 2018. The main objectives of the seminar were familiarization of representatives of local self-government units from the mentioned Canton with the activities of the Federal Administration for Geodetic and Real Property Affairs and especially with the Address Register establishment, as well as the presentation of the Sales Price Register and Digital archive.

Mayor of Bihać, Mr. Šuhret Fazlić opened this seminar and thanked representatives of the Federal Administration for Geodetic and Real Property Affairs and CILAP project for activities they are implementing in Bihać and Una- Sana Canton and pointed out good cooperation between Federal

Administration for Geodetic and Real Property Affairs and institutions in City of Bihać.

CILAP project Director Mrs. Anđa Zimić welcomed all attendees and presented project results so far. Current activities, projects and the upcoming planned activities of the Federal Administration for Geodetic and Real Property Affairs were presented by Mr. Željko Obradović, director.

The working part of the seminar started with the presentation of Mrs. Željka Kolobarić, coordinator of the working group for the Address Register establishment in Federation of BiH which introduced the overview of current situation related to Address Register in Federation of BiH, procedures for establishment of the Address Register in local self-government units of Una-Sana Canton, results and challenges that arise during the next phase, as well as the examples of establishment in other local self-government units. The importance of close cooperation with The Agency for Identification Documents, Registers and Data Exchange of Bosnia and Herzegovina (IDDEEA) has also been presented.

After the presentation regarding the Address register, the Sales Price Register in Federation of BiH was presented. All related to Sales Price Register - application, cooperation, results of current implementation were presented by Mrs. Jelena Zelić, coordinator of the working group responsible for this issued in Federation of BiH. This project gives a great opportunity to provide relevant market information to participants in the real estate market.

A part of the seminar based on the development of the Digital Archive system in the Federation of BiH was presented by Mrs. Edina Behić- Bolić. It was emphasized that the Norwegian project provided funds for the continuation of the development of a Digital Archive system and the first step would be to involve local self-government units into the process. Work will also be done on integration with other systems. Training and capacity building for the realization of these activities will be ensured through the CILAP project.

The seminar was completed with a brief discussion and conclusions on the importance of these projects for both to the Federal Administration for Geodetic and Real Property Affairs as well as to the local self-government units in Federation of BiH.
