

STUDY VISIT TO THE Norwegian Mapping Authority, KARTVERKET

31.05.2019 13:57

The study visit to the Norwegian Mapping Authority, Kartverket was organized within the „Public Services for Real Estate Market and European Integration” Project in period from 27 to 30 May 2019.

In this study trip participated representatives of the Federal Administration for Geodetic and Real Property Affairs and Republic Administration for Geodetic and Real Property Affairs who are engaged in the establishment and development of a digital archive system in both entities in Bosnia and Herzegovina.

Main goal of the visit was to get acquainted with the digital archive system, the digital archive system in

business processes, and the importance of a digital archive in land administration in Norway.
