

Support to the Integrity Building in Land Administration

09.03.2017 12:18

In accordance with the planned activities of the CILAP project, workshop with an aim to support geodetic authorities in creation of Integrity plans was held on March 6-7, 2017 in Sarajevo. Work on the integrity building and anticorruption measures are obligations of geodetic authorities in accordance with the Contribution Agreement for the realization of CILAP project.

The workshop was led by expert, Mr. Nikola Kerleta, and attendees were representatives of Federal Administration for Geodetic and Real Property Affairs and Republic Authority for Geodetic and Real Property Affairs.

During the workshop, discussion was held regarding professionalism and ethics, personal and institutional integrity, and ways of combating corruption and building integrity in public institutions.
