

Support to the Secondary School of Civil Engineering and Geodesy Tuzla

17.03.2022 08:17

The handover of various types of topographic maps and computer equipment for the Public Institution Mixed Secondary School of Civil Engineering and Geodesy Tuzla took place in the premises of the Federal Administration for Geodetic and Real Property Affairs on March 16, 2022. Based on the proposal of the Commission for the Disposal of Fixed Assets, Equipment and Small Inventory, it was decided that computer / electronic equipment which is still in use, should be donated to secondary schools. Following a request from the Public Institution of the Mixed Secondary School of Civil Engineering and Geodesy in Tuzla for support, computer equipment together with various types of maps were provided to the school for adequate use for educational purposes.

Director of the Federal Administration for Geodetic and Real Property Affairs, Mr. Željko Obradović pointed out that this is the way in which the Administration always strives to support schools. The school principal, Mr. Nihad Zahirović expressed his satisfaction and gratitude for the donation provided by the Administration for the school in Tuzla. A one-day visit of students from the Department of Geodesy and Geoinformatics in Sarajevo has been agreed, in order to present activities and technical equipment, information and communication technologies, modern technologies, applications and software, and everything needed for the Federal Administration for Geodetic and Property Affairs to ensure the up-to-dateness, accuracy and availability of spatial data to all interested users.
