

The regular Annual meeting of CILAP project management and leaders of all components

25.11.2021 18:13

The regular Annual meeting of CILAP project management and leaders of all components of Federal Administration for Geodetic and Real Property Affairs and Republic Administration for Geodetic and Real Property Affairs of RS was held in Jahorina mountain on 23-24 November 2021.

The meeting was led by Ms. Andja Zimić, CILAP project director in cooperation with project coordinators. The coordinators of all components presented the results and indicators for 2021, as well as plans and indicators for the following 2022 which is also the last year of implementation of the phasing out period. As the annual meeting is an important activity that defines the work and time plan, the additional

consultations and arrangements have been made between the leaders of the components.

All participants expressed their satisfaction with the results achieved and their joint work and expect similar and even better results in the continuation of the CILAP project implementation through the phasing out.
