

Visit of students from High School of Civil Engineering and Geodesy Tuzla

25.03.2022 19:03

Students from High school of Civil Engineering and Geodesy Tuzla have visited Federal Geodetic Administration on 25 March 2022. The visit was organized in the annual university program as a one- day excursion.

Representatives of the Administration, Mr. Denis Tabucic, Mr. Ervin Redzepagic and Mr. Jasmin Catic welcomed students and teachers and presented the work, responsibilities and current projects of the Federal Geodetic Administration. Considering that a larger number of students plan to continue their education at the Faculty of Civil Engineering - Department of Geodesy, this presentation was useful for

their further education.

The Federal Geodetic Administration will continue to support of all academic and educational institutions who have an interest in the Bosnia and Herzegovina land administration sector.
