

VISIT OF STUDENTS FROM THE UNIVERSITY OF MOSTAR

04.06.2026 10:57

Students of the undergraduate program at the Faculty of Civil Engineering, Architecture and Geodesy of the University of Mostar, together with their professors, visited the Federal Administration for Geodetic and Real Property Affairs on June 4, 2026. The visit was organized as part of the University's annual work program, with the aim of familiarizing students with the Administration's activities, responsibilities, and projects.

The Secretary of the Administration, Mr. Goran Brkić, welcomed the students and professors and presented the organizational structure, its competencies, as well as current activities and projects being implemented in the field of land administration.

During the second part of the program, Administration employees Ervin Redžepagić, Dženana Mahmutagić, and Denis Tabučić presented the achieved results and activities related to the harmonization of cadastral and land registry data, the FBiHPOS project, and the implementation of the Spatial Data Infrastructure (SDI) in the Federation of Bosnia and Herzegovina.

The Federal Administration for Geodetic and Real Property Affairs will continue to support academic and educational institutions interested in the field of land administration in the Federation of Bosnia and Herzegovina, with the aim of strengthening cooperation between the academic and public sectors.
